

REMARKS

Claims 62-81 are pending in the present application. In the Office Action dated April 21, 2005, claims 62-81 were rejected under the judicially created doctrine of double patenting over claims 1-14 of U.S. Patent No. 6,736,708.

In response to the Office Action, applicant is filing a terminal disclaimer to obviate the double patenting rejection. Claims 62-81 should therefore now be in condition for allowance. Applicants therefore request favorable consideration and a Notice of Allowance.

Respectfully submitted,

DORSEY & WHITNEY LLP
